Hi there —

Welcome to the Jauntful preview!

Jauntful helps you create and share personal printable guides of your favorite travel tips —restaurants, activities, personal notes—anything your friends should know about the cities you love.

Thanks for joining us for an early look. In these early stages, we could use your feedback. Once you're in, we'd be grateful if you could **do three things**:

1. Upload a photo and consider using your real name, first and last.
2. Create a guide for someone you know. Dust off one of those emails you've used for travel tips or create a whole new one. Just create a guide!
3. Send the guide to someone who can use it. Once you send someone a guide, they're automatically able to join you in the preview.

Confirm your email address and set a password.

And of course, we greatly appreciate any feedback to help make Jauntful better. Email us with any questions or comments: [hello@jauntful.com](mailto:hello@jauntful.com).

Thanks, again, for the support. We look forward to seeing you all on Jauntful.

— Jauntful team.
